Team Management

Manage team members and invitations for webinar

Total Team: 1 Active Team: 1 Pending Invites: 1 Team Limit: 1/100

Search team members... Filters Invite Team Member

Vinay Tiwari #VINATIWA Owner nileshdeulkar212@gmail.com 7728642333 Team

1 Active 0 Invited

After sending 2 invites still its showing 0 and Invitation not received on mention email id
Emailid- deulkarnilesh679@gmail.com (Active)

This screenshot shows the 'Team Management' section of the ContractNest web application. The top navigation bar includes 'Live', a user icon, and 'Vinay Tiwari'. The main header is 'Team Management' with the sub-instruction 'Manage team members and invitations for webinar'. Below this, there are four status cards: 'Total Team' (1), 'Active Team' (1), 'Pending Invites' (2, circled in purple), and 'Team Limit' (1/100). A secondary navigation bar below shows 'All Team' (1), 'Active' (1, highlighted in orange), and 'Pending' (2, circled in purple). A search bar and filter button are present. The main content area shows one team member: 'Vinay Tiwari #VINATIWA Owner' with details 'nileshdeulkar212@gmail.com 7728642333 Team ✓'. A summary at the bottom right indicates '1 Active 0 Invited'.

After sending invite to user, pending count has not been Auto refresh

This screenshot shows the same 'Team Management' section after an invite was sent. The 'Pending Invites' count is now 0, which is circled in purple. The other status cards remain the same: 'Total Team' (1), 'Active Team' (1), and 'Team Limit' (1/100). The secondary navigation bar still shows 'All Team' (1), 'Active' (1), and 'Pending' (2). The main content area shows the same team member: 'Vinay Tiwari #VINATIWA Owner' with details 'nileshdeulkar212@gmail.com 7728642333 Team ✓'. The summary at the bottom right still indicates '1 Active 0 Invited'.

After click on pending count its updated - Async issue

The screenshot shows the 'Pending Invites' section of the Contractnest settings page. It displays three pending invitation entries:

- komalchaudhari1309@gmail.com (Sent) - Invited by Vinay Tiwari 6 minutes ago, 1 day remaining.
- deulkarnilesh679@gmail.com (Sent) - Invited by Vinay Tiwari 24 minutes ago, 1 day remaining.
- testinvite1@gmail.com (Resent) - Invited by Vinay Tiwari 37 minutes ago.

A blue bracket highlights the 'Pending' tab in the navigation bar at the top, which has a value of 3.

Invite Sent to ID [-deulkarnilesh679@gmail.com](#) and accepted it but in active tab wrong user is reflected.

The screenshot shows the 'Team Management' section of the Contractnest settings page. It displays the following statistics:

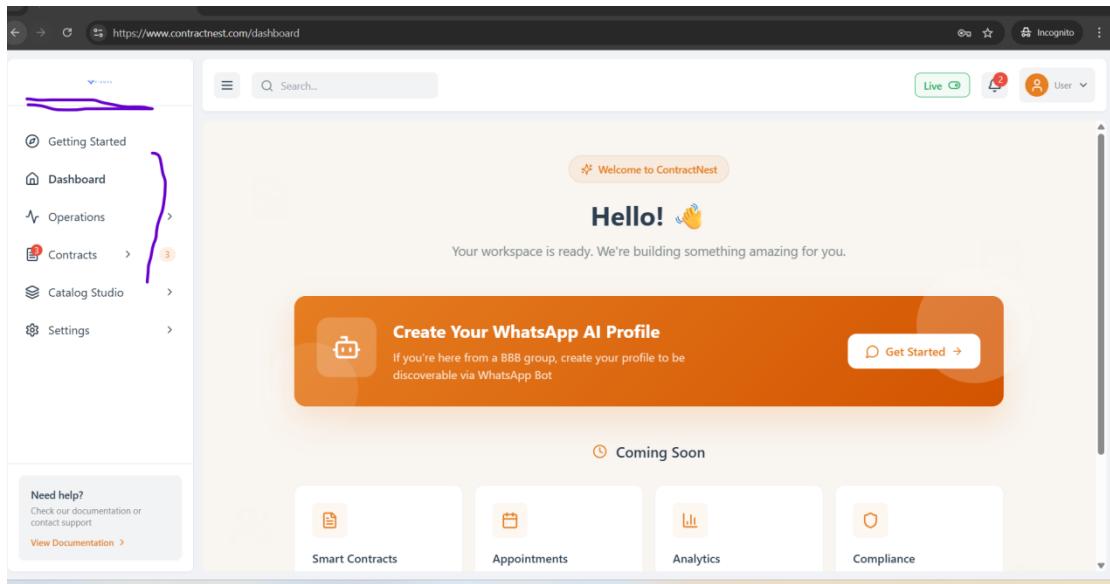

- Total Team: 2
- Active Team: 2
- Pending Invites: 2
- Team Limit: 2/100

The 'Active' tab is selected in the navigation bar at the top, which has a value of 2. The page lists two active team members:

- Vinay Tiwari (#VINATIWA, Owner) - nileshdeulkar212@gmail.com, 7728642333, Team checked.
- Box B (#BOXQ8777) - boxd@b.com, 9812121212, Team checked.

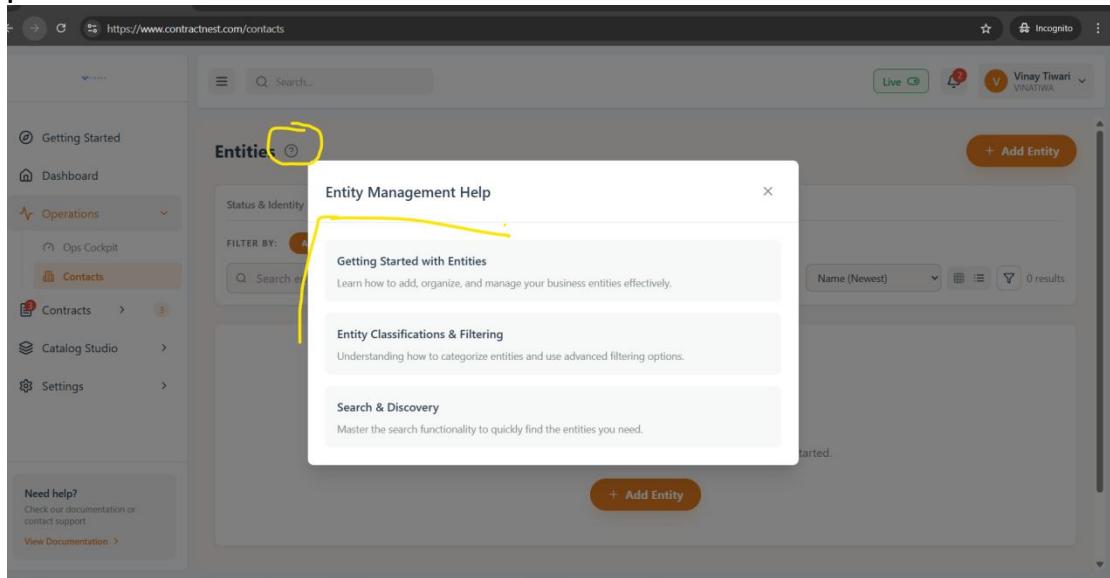

A yellow bracket highlights the 'Active' tab in the navigation bar at the top, which has a value of 2.

Contractnest/vikuna logo is not clearly visible

Module-Contacts

Entities help management needs more description about entities, may be it is in development phase-

Issue Description- API request fails with "Error 400 - Bad Request" when attempting to create a Corporate Buyer entity through the Quick Add Entity form and +add another channel as "Phone"

The screenshot displays a web application interface for managing entities. On the left, there's a sidebar with 'Getting Started', 'Dashboard', 'Operations' (selected), 'Contracts', and a 'Need help?' section. The main area shows a list of entities, with one item for 'Prime Electronics Manufacturing Ltd' selected. A 'Quick Add Entity' modal is open on the right, prompting for 'First name' (Mr. Rajesh Kumar Gupta) and 'Email' (rajesh.gupta@trading.com). Below the modal is a 'Network' tab in the developer tools, which shows a failed request with a status code of 400. The URL for this request is https://contractnest-api-production.up.railway.app/api/contacts.

Failed to archive contact after clicked on delete button- **RESOLVED**

A screenshot of a web browser window. At the top, there is an error message in a red box: "ERROR Failed to archive mr. John Michael And...". Below the header, there is a list of contacts: "ms. Priya Sharma" (Active), "TechVision Solutions Private Limited" (Active), and "mr. John Michael Anderson" (Active). The contact "mr. John Michael Anderson" has a yellow circle around its delete icon. The bottom of the screen shows the Network tab of the developer tools, displaying various network requests and their timing.

When we refresh the page its redirecting to the ALL tab it should stay at last selected tab--

Added the new seller entity and refresh it then it redirected to the all tab . **RESOLVED**

A screenshot of a web browser showing the "Entities" page. The sidebar includes "Getting Started", "Dashboard", "Operations", "Contracts" (with a red notification badge), "Catalog Studio", and "Settings". The main area shows a table of entities with a filter bar above it. The filter bar has tabs for "All (11)", "Buyers", "Sellers" (which is highlighted with a yellow circle), "Vendors", "Partners", and "Team Members". The results table lists four entries: "Swift Logistics & Transport Services" (Active), "dr. Anjali Deshmukh" (Active), "dr. Anjali Deshmukh" (Active), and "Integrated Supply Chain Solutions Pvt Ltd" (Active). Each entry has a "Seller" badge and a delete icon.

Need to discuss --Unable to create Entity with Partner + Individual person -- **RESOLVED**

The screenshot shows a browser window with the URL <https://www.contractnest.com/contacts>. A modal titled "Quick Add Entity" is open, showing a "Request failed with status code 401". The Network tab in the developer tools shows a POST request to `/api/contacts` with a status code of 401 Unauthorized. The request payload is "+919876512345". The Headers tab shows the following:

Header	Value
Request URL	https://contractnest-api-production.up.railway.app/api/contacts
Request Method	POST
Status Code	401 Unauthorized
Remote Address	66.33.22.235:443

The filter is not working as expected. Even after filtering by old date created, the entries remain in the same order. The most recent entry (testemailformat) is still displayed at the top. RESOLVED

The screenshot shows the application's main interface with a sidebar containing navigation items like "Getting Started", "Dashboard", "Operations", "Contracts", "Catalog Studio", and "Settings". The "Operations" item is expanded, showing "Contracts" with a count of 3. The main area is titled "Entities" and displays a list of contacts. A yellow arrow points from the text "The filter is not working as expected" to the "Date Created (Oldest)" dropdown menu, which is highlighted with a yellow circle. The list includes the following entries:

- testemailformat (Active) - Date Created: 2023-09-01
- prof. testContactChannel (Active) - Date Created: 2023-09-01
- testemailformat (Active) - Date Created: 2023-09-01
- mrs. Deepa Krishnan (Active) - Date Created: 2023-09-01

One user can create with multiple roles like Buyer/seller/partner need to discuss it..**NOT A BUG**

The screenshot shows the 'Entities' page with a search bar and filter options for 'All (31)', 'Buyers', 'Sellers', 'Vendors', 'Partners', and 'Team Members'. Two entries for 'Dual Role Trading Company' are listed, both marked as 'Active'. The first entry is associated with 'Seller' and 'Buyer' roles, while the second is only associated with 'Buyer'. Yellow arrows point to the 'Seller' and 'Buyer' icons on the right side of each entry.

Settings-Configure-Resource Management- After deleting equipment entry its sequence is not auto adjust by skipping deleted entry..

The screenshot shows the 'Equipments' page with a search bar and a list of resources. The resources are: 'Laptop-Dell-XPS15' (Sequence #1), 'Projector-Epson-EB' (Sequence #2), 'Camera-Canon-EOS' (Sequence #3), and 'testsequence' (Sequence #5). A yellow circle highlights the sequence number #3, which is missing from the list. The sidebar on the left lists 'Team Member', 'Equipments', 'Consumables', 'Assets', and 'Partners'.

Settings-Configure--Resource Management After Adding contacts Team Members and Partners these are reflecting in Team member and partner but not appropriate Color and sequence is empty and edit option is not present to manual update.

The screenshot shows the 'Team Member' page with a search bar and a list of contacts. The contacts are: 'Deepa Krishnan' (Display Name: mrs. Deepa Krishnan), 'Rahul Mehta' (Display Name: dr. Rahul Mehta), 'Sneha Reddy' (Display Name: ms. Sneha Reddy), and 'Amit Sharma' (Display Name: mr. Amit Sharma). All contacts have an empty 'Color' field and a '-' value in the 'Sequence' field. A large yellow rectangle highlights the entire list of contacts.

Setting-Configure-ListOfValues-Showing error while adding new LOV

The screenshot shows a browser window for ContractNest settings. The left sidebar includes 'Getting Started', 'Dashboard', 'Operations', 'Contracts' (with 3 items), 'Catalog Studio', and 'Settings'. The main area is titled 'List of Values' and shows a table of roles. A modal at the top right displays an 'ERROR' message: 'Failed to add new value'. The table has columns: Name, Display Name, Color, Sequence, and Description. It lists 'Owner' (Sequence 1, green circle) and 'Admin' (Sequence 2, blue circle). A new row for 'Manager' (Sequence 3, red circle) is being edited, with its input field highlighted by an orange border. The 'Save' button is visible at the bottom right of the edit row.

Name	Display Name	Color	Sequence	Description
Owner	Owner	Green	1	
Admin	Admin	Blue	2	
Manager	TestAdmin	Red	3	

The screenshot shows a web browser window with the URL <https://www.contractnest.com/settings/configure/lovs>. The left sidebar contains navigation links: Getting Started, Dashboard, Operations, Contracts (with 3 items), Catalog Studio, and Settings. The main content area is titled "List of Values" and "Manage your custom values and categories". A sub-section titled "Roles" is selected. A table lists roles with columns: Name, Display Name, Color, Sequence, and Description. One row shows "Owner" with "Owner" in both Name and Display Name, green color, sequence 1, and a pencil icon in the Description column. Below the table is a form for adding a new role: "Name" field contains "Admin", "Display Name" field contains "Admin", "Color" field has a blue circle, "Sequence" field contains "2", and a "Description" field is empty. A yellow circle highlights the "Description" field. At the bottom right of the form are "Cancel" and "Save" buttons. An "ERROR" message box is displayed at the top right, stating "Failed to add new value". The status bar at the bottom shows "15" and "2024".

While adding LOV Description space is showing but it is not editable

This screenshot is identical to the one above, showing the same interface and error message. It illustrates that while the "Description" field is visually present, it is not functional or editable.

Settings-Configure-Storage Management

After clicking on contact photos, the image is not downloaded and only opens in view mode.

Action menu download is not downloaded image

Contact Photos
Profile pictures and images of contacts

FILE	TYPE	SIZE	UPLOADED	ACTIONS
WhatsApp Image 2025-09-20 at 10.44.56_3d15c20'	JPEG	47.76 KB	1/15/2026	
WhatsApp Image 2025-09-20 at 10.44.56_3d15c20'	JPEG	47.76 KB	1/15/2026	
download.png	PNG	2.91 KB	1/5/2026	

The **Actions menu** is **overlapping** with the **Download, Preview (View), and Delete** options in the contact photos section. Due to this overlap, the options are not displayed clearly and create a UI alignment issue.

Contact Photos
Profile pictures and images of contacts

FILE	TYPE	SIZE	UPLOADED	ACTIONS
WhatsApp Image 2025-09-20 at 10.44.56_3d15c20'	JPEG	47.76 KB	1/15/2026	
WhatsApp Image 2025-09-20 at 10.44.56_3d15c20'	JPEG	47.76 KB	1/15/2026	
download.png	PNG	2.91 KB	1/5/2026	

In the **Contact Photos** section, uploading **multiple files/photos** fails and the system throws an “**unexpected end of form**” error.

The screenshot shows a browser window with a file upload dialog open. The dialog displays three selected files: "download (1).png" (3.05 KB), "download.png" (2.91 KB), and another unnamed file (3.99 KB). A red error message box in the top right corner says "ERROR Unexpected end of form". Below the dialog is a network timeline tool showing a POST request to "https://contractnest-api-production.up.railway.app/api/storage/files/multiple" with a status code of 400 Bad Request. The request took 66.33 ms.

In storage Management while loading conatact photo/contract/documents circular loader is running instead of vani..so need to confirm if it is expected or not ??

The screenshot shows the "Storage Management" page. It features a "Storage Statistics" section with a progress bar indicating 5% used storage. Below this are "Total Space" (40 MB) and "Available Space" (38.03 MB). The "Used Space" is listed as 1.97 MB. There is also a "Total Files" count of 9. The "Storage Categories" section lists four categories: "Contact Photos" (3 files, 344.04 KB), "Contract Media" (2 files, 1.27 MB), "Service Images" (0 files, 0 Bytes), and "Documents" (4 files, 379.05 KB). Each category has a circular loader icon next to its name.

A UI issue is observed where additional space is displayed and can be reduced. There is also a text and UI alignment issue in the Actions section.

Tax Settings
Configure tax display and manage tax rates

Tax Display

ERROR Failed to update tenant profile

Submit

Network tab of the browser developer tools showing a failed request to https://contractnest-api-production.up.railway.app/api/tenant-profile with status code 500 Internal Server Error.

In **Settings → Configure → Sequence Numbers**, after editing the **contact digit** and clicking **Confirm Retest**, the application throws an error.

The screenshot shows the 'Sequence Numbers' configuration page. On the right, there is an 'Error' icon with the word 'Error' next to it. In the center, there is a red button labeled 'Confirm Reset'. Two yellow circles highlight the 'Confirm Reset' button and the three-dot menu icon located to its right. The 'Contracts' section shows 'CT-01001' as the next number, and the 'Current' value is 0. The 'Next Number' field is set to 'CN[5 digits]'. The 'Quotations' section shows 'CNdoc[8 digits]' as the next number, and the 'Current' value is 0. The 'Next Number' field is set to 'CN[4 digits]'. The 'Invoices' section shows 'INV-10001' as the next number, and the 'Current' value is 0. The 'Next Number' field is set to 'INV[5 digits]'. The 'Projects' section shows 'PROJECT' as the next number, and the 'Current' value is 0. The 'Next Number' field is set to 'CT[5 digits]'. The 'Receipts' section shows 'RECEIPT' as the next number, and the 'Current' value is 0. The 'Next Number' field is set to 'IN[5 digits]'. The 'Quotations' section has a three-dot menu icon highlighted with a yellow circle.

The three-dot (more options) menu is not active and cannot be clicked.

This screenshot is identical to the one above, showing the 'Sequence Numbers' configuration page. However, the three-dot menu icons in the 'Contracts' and 'Quotations' sections are now circled in yellow, indicating they are inactive or cannot be clicked. The rest of the interface elements, including the error message and the 'Confirm Reset' button, appear the same as in the previous screenshot.
